How To Use This Course

Navigating this course

This lesson introduces how to navigate and interact with the course material.

- To search for an item in the course, choose the **magnifying glass** icon at the top right corner of the navigation menu.
- To expand or collapse the navigation menu, choose the **three horizontal lines** at the top left corner of your screen.
- To navigate to the previous lesson, choose the **lesson divider** at the top of the page.
- To navigate to the next lesson, choose the **lesson divider** at the bottom of the page.
- To navigate between lessons and track your course progress, use the **navigation menu** on the left side of the page. A checkmark appears next to the lesson name as you complete each lesson. If the checkmark is missing, verify that you did not miss watching videos, answering review questions, or other interactive activities.

The screenshot shows the Amazon WorkSpaces course interface. It includes a navigation menu on the left, a search bar at the top right, and a lesson divider at the top. Callouts provide instructions on how to use these features:
